

**Epsilon Sigma Alpha  
International Council  
Bylaw Changes for 2011  
Judi York, IC Parliamentarian**

**Article III Section 2 currently reads:**

Annual dues of \$35.00 per chapter or subordinate and \$40.00 per state or multi state council shall be due and payable to the IC treasury at the beginning of the fiscal year (August 1). To be in good standing, dues must be paid on or before May 1. A statement covering such dues shall be sent by the Treasurer each year.

**Article III Section 2 change to read:**

Annual dues shall be due and payable to the IC Treasury at the beginning of the fiscal year (August 1). To be in good standing, dues must be paid on or before May 1. A statement covering such dues shall be sent by the Treasurer each year. Annual dues shall be as set forth in the IC Standing Rules (see Standing Rule 1).

Reason: The amount of the dues should not be in the bylaws, but in the standing rules. This change would place the amount of dues in the Standing Rules and to tell them where to look (SR 1).

**Article XII, add new Section 8:**

All meetings of the International Council Executive Board, General Board and committees may be held in person, via teleconference and/or electronic means.

Reason: In today's world, technology is progressing faster than we can keep up. This will cover all means now (email etc and what is invented tomorrow)

**STANDING RULE CHANGES**

Add new Standing Rule #1:

Annual dues to the International Council shall be \$35.00 per chapter or subordinate and \$40.00 per state or multi state council. This rule shall be subject to amendments only in accordance with Article III Section 2 of the Bylaws.

Re-number other Standing Rules accordingly.
